Are you Ready to Break Free in Your Life?

Like so many, are you weighed down by life (past and present)? Remember that Jesus Christ came to set you free. He died for you to truly *be free*. God's love for you will not fail you, but you must *move* toward your freedom. Now is your time to arise and walk in God's good plans for your life here on earth. And there is help! I'm walking the same path as you! God has assigned me to learn as I go, teach as I go, and strengthen believers to unload the weights of life, walk in fellowship with Him, and impact the lives of those around them in these last days!

If this is you, let's do it!

Individual Mentoring "Ever Onward, Ever Forward" Counseling Ministry Program

Description.

We will work together in a 1-on-1 setting to address the pains of the past (unfinished business) and find the way forward toward freedom for your soul. Through these sessions, you will begin to think differently, view your life from a new perspective, and, most importantly, experience a profound sense of freedom and strength. Many have progressed at an **accelerated pace**. Why? Because their eyes opened to the light of truth! As Job said, "I've heard of you by the hearing of the ear but now my eyes see you" (Job 42:5). Discover the spiritual freedom you've been longing for! You're *special* to God!
